Clergy Day on Engaging Young People in the Faith Community

Thursday, February 16
UB North Newman Center, Amherst
Noon to 3:00 PM
No cost to attend

Presenter:
Dr. Robert J. McCarty
Executive Director,
National Federation for Catholic
Youth Ministry

Young people have changed greatly in the past ten years! Our pastoral ministry with young people in schools and parishes has been greatly affected by the post modern context. We will identify several critical factors impacting our ministry, examine characteristics of millennial spirituality, and explore elements of a new map for effectively engaging young people.

This Clergy Day will enable you to:

- articulate a more contemporary vision for engaging youth
- provide effective pastoral leadership and support for ministry with youth
- learn approaches that effectively respond to the needs and gifts of postmodern youth
- invite families and young people to faith more effectively
- better connect with and support the young people in your communities

*Hosted by the **Department of Youth & Young Adult Ministry** through the generous support of the **Foundation of the Roman Catholic Diocese of Buffalo***
